The college is Affiliated with CCS University, Meerut. More than 12000 students are registered in the college. College is well equipped with all the modern facilities including Several faculty building, admin block, central library, auditorium and the Gymnasium.

## Seminar theme and Concept

Global health is being challenged by a number of factors due to the fast paced development and intricate patterns of change in numerous segments throughout the world. Due to several interrelated aspects that are variable, ill-defined, and incomplete, 'wicked problems' are challenging or impossible to solve. Climate change, drought, STDs, zoonotic illnesses, and other concerns are disastrous' when it comes to current global health emergencies. A collective effort needs to be thoroughly propagated to avoid the dangers they pose to human health and to reduce the likelihood of new catastrophic outbreaks as we work to restore post COVID-19.

### Sub Themes:
