## **ABOUT THE COLLEGE**

*MMH College Ghaziabad was established on 1st July 1948 by the eminent social reformer Shri Guru Pitaji Maharaj with the objective of providing quality higher education to the marginalized sections of society. The college is a Grant-in-Aid institution, affiliated with Chaudhary Charan Singh University, Uttar Pradesh, and functions as a co-educational postgraduate institution in the National Capital Region (NCR).*

*Spread over an urban campus of 13.58 acres, the college offers undergraduate, postgraduate, and doctoral programmes in Science, Arts, Commerce, Social Sciences, Legal Studies, and Physical Education, catering to more than 7,200 students. The institution is supported by a qualified and experienced faculty actively engaged in teaching, research supervision, and scholarly publications.*

*The college has developed sound academic infrastructure including classrooms, laboratories, library, auditorium, NCC and NSS units, and hostels. It has successfully organized national and international seminars and conferences supported by reputed funding agencies such as ICSSR, ICHR, UGC, CSIR, and European Union-supported academic programmes. The alumni of the college have achieved distinction in civil services, academia, sports, media, and public life, enhancing the institution's academic reputation.*

## **CONFERENCE DETAILS :**

*The International Conference on Climate Change and Social Justice: Challenges and Solutions of Environmental Justice (ICCSJ-2026) aims to create a broad interdisciplinary forum for examining climate change as a complex global challenge that intersects with environmental systems, social structures, economic processes, governance frameworks, technological innovations, and ethical concerns. The impacts of climate change extend beyond environmental degradation to issues of inequality, livelihoods, public health, economic stability, governance, and social justice.*

*The conference invites participation from scholars, researchers, professionals, and practitioners across all disciplines, encouraging diverse methodological and theoretical perspectives. ICCSJ-2026 seeks to promote dialogue that bridges natural sciences, social sciences, humanities, commerce, law, management, technology, and physical education, fostering integrative approaches to understanding and addressing environmental justice.*

*Organized by MMH College Ghaziabad, the conference is sponsored by the Indian Council of Social Science Research (ICSSR), Northern Regional Centre, New Delhi, in collaboration with the Indian Institute of Materials Management (IIMM), New Delhi. The conference aims to generate policy-relevant insights, innovative practices, and inclusive strategies aligned with national and global climate priorities.*
